About Mountain Tap Brewery

Mountain Tap Brewery features a dozen handcrafted ales and lagers made on-site, served alongside wood-fired cuisine. The ambience is family-friendly, rustic and casual, with long wooden tables, an open floor plan and clear views of the brewhouse and the wood-fired oven. A biergarten graces the outdoor plaza in the summertime. The brewpub is open for lunch and dinner in the summer and dinner only in the winter. Craft beers on tap range in color and style from the light "Local's Lager" pilsner to the darkest "Cliffed Out" stout. Our Neapolitan-style wood-fired pizzas, specialty entrees, small plates and salads feature fresh local ingredients from the Yampa valley and surrounding areas. Occupying three bays of the former Yampa Valley Electric Association building on Yampa Street, it opened July 7th 2016.
