

MOUNTAIN TAP MOBILE CATERING GUIDE 2025

Our Mountain Tap Mobile catering trailer, designed in the style of a Yampa Valley barn and equipped with a wood-fired oven, can bring the Mountain Tap dining experience to you wherever you are. We recognize that your event is unique to you, and that is why we have a variety of off-site event and catering options to suit your personal needs. We strive to provide a one-of-a-kind, unforgettable experience for you and your guests, and we will work diligently with you to ensure a successful event.

Mobile event bookings require a food purchase minimum as well as operational and material fees, outlined on the next page. With questions and inquiries, please reach out to events@mountaintapbrewery.com, or stop into our brewpub and we will talk about it over a beer.

Cheers!
