

# Today is TOKEN TUESDAY!

- Each month we select four local nonprofit organizations to support.
- On Token Tuesdays, you receive a wooden token for every beer you purchase.
- Before leaving Mountain Tap, select which of the four organizations you want to support by depositing your tokens in that organization's Token Tuesday box.
- At the end of the month, Mountain Tap empties the boxes, adds up the tokens for each organization and presents each one with \$1 for every token they received.
- Whichever organization collects the most tokens this month stays on as King of the Mountain Tap for one more month!

It's a *token* of Mountain Tap's appreciation for all that nonprofits do in our community...  
It's YOUR opportunity to enjoy a beer, then DO GOOD for the community, *on us*.

Token Tally from our very first Tuesday in July 2016 to present: \$35,946.
